Directors of Early Intervention Services

FROM: DDSN State Director Mary Poole 

DATE: December 17, 2018

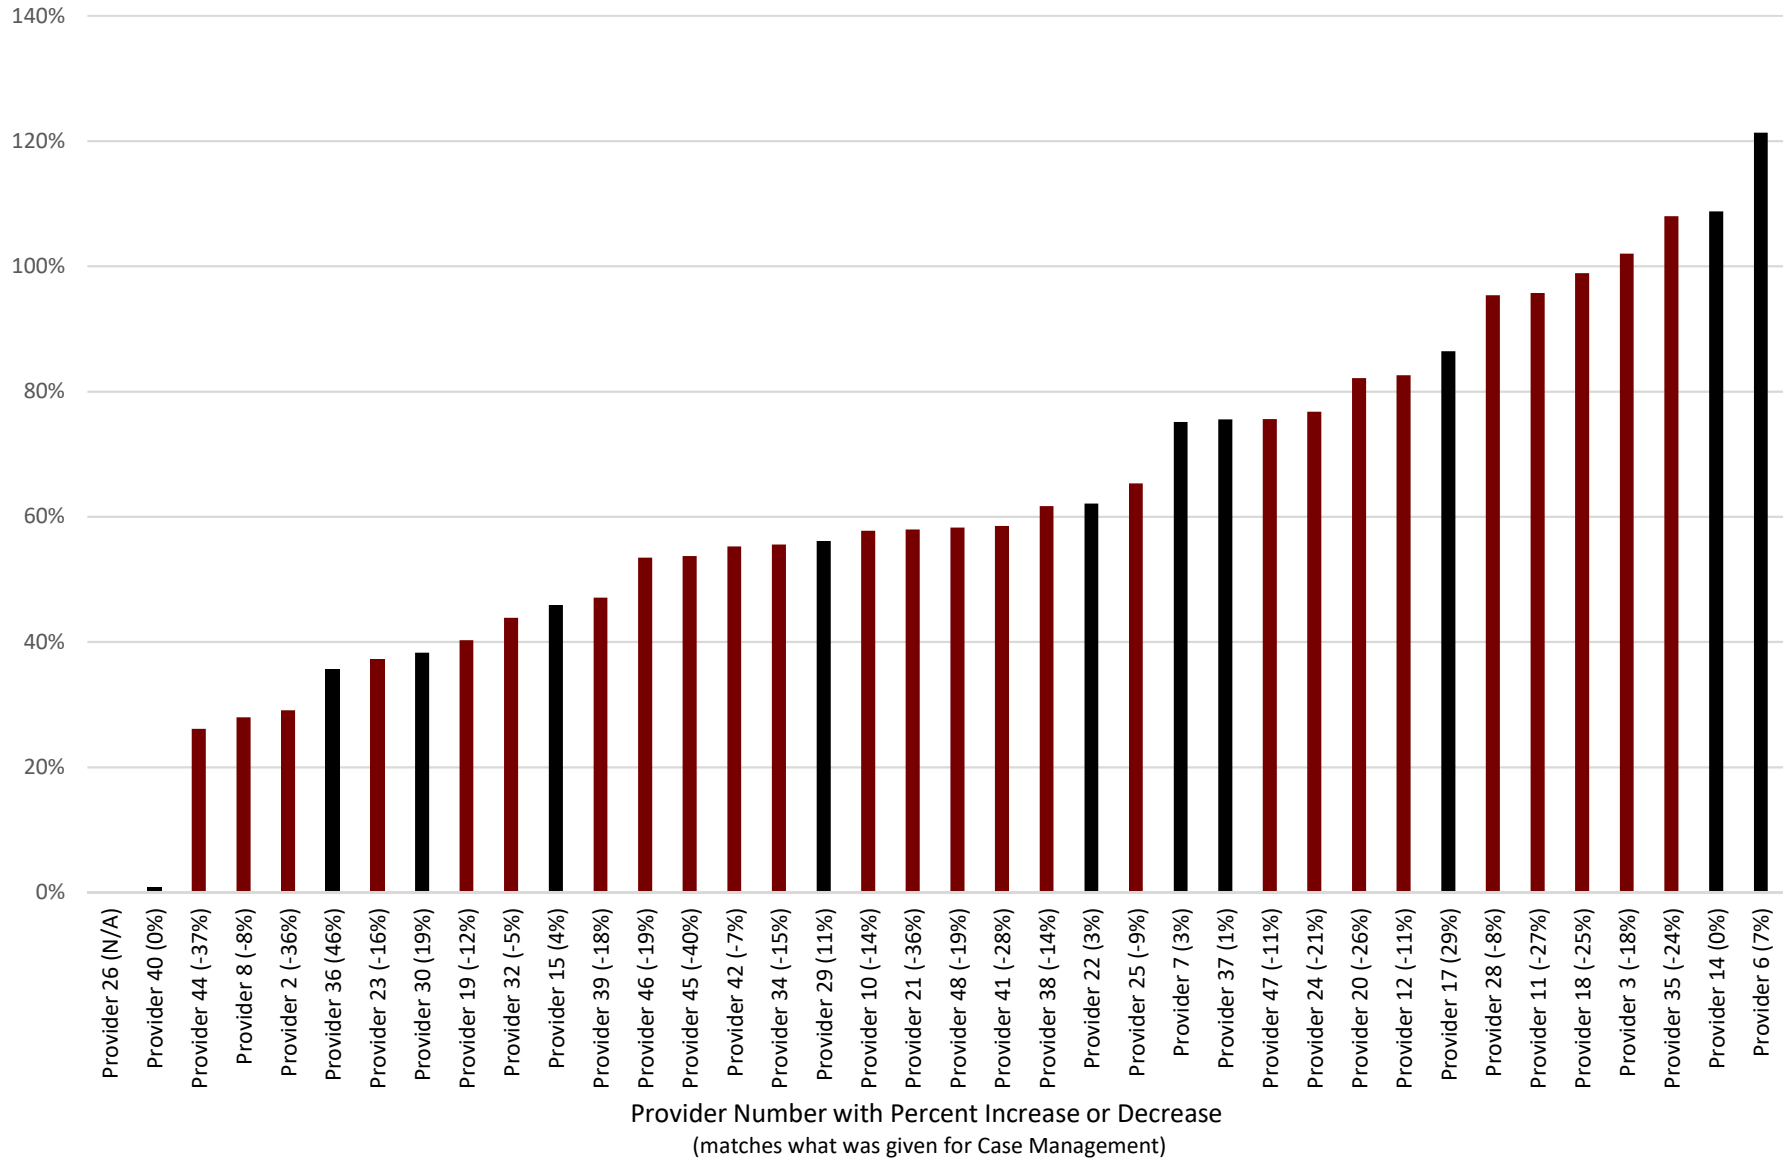

RE: Early Intervention (EI) November 2018 Billing Report

In preparation for the transition to Fee for Service (FFS) billing, DDSN is providing a monthly comparison chart of actual billing under a per-unit rate (\$23.52) and the monthly prospective grant payments.

Attached are two charts for review, which show the percent of contract amounts if billed FFS. Chart 1 is the actual monthly billing/grant payment comparisons for November, 2018. Chart 2 is the statewide average percentage of actual EI billings under FFS compared to grant payments for each of the preceding months which were: July (69%); August (72%); September (59%); October (79%); and November (67.7%). Disability Boards can identify their agency by finding their "provider number," which is the same number used in case management productivity reports or contact Sandra Delaney (803/898-9769) for your number. DDSN will continue providing monthly reports for the remainder of FY 2019.

For additional questions or clarifications, please contact Interim Program Director Joyce Kimrey at (803) 898-9145 or via email jkimrey@ddsn.sc.gov.
