RE: Remote Supports

DATE: April 20, 2023

The purpose of this memo is to communicate that Remote Supports services is now operational under the Intellectual Disability/Related Disabilities (ID/RD) and Head and Spinal Cord Injury (HASCI) Waivers. Remote Supports is a form of Assistive Technology which includes a person-centered electronic network of devices enabling waiver participants to live more independently through support and monitoring while exercising more control over their own lives. For additional information please review the HASCI and ID/RD Waiver manuals here-
