Re: FY22 Legislative Budget Proviso (36.6) re 60 DDSN Legacy Owned Properties Operated by Providers

There will be initial meeting with impacted providers at 3:00PM, Wednesday, August 4, 2021, to start the process of implementing FY22 Legislative Budget Proviso 36.6, which is as follows:

FY 2021-22 Budget: 36.6. (DDSN: Transfer of Capital/Property) The department shall only transfer capital to include property and buildings to local DSN providers with written consent of the providers by memorandum of understanding and upon State Fiscal Accountability Authority approval, otherwise, the department shall be responsible for maintenance and improvements.

I am hopeful we can develop short-term transition plan options at the meeting to gain compliance with Proviso 36.6. Additionally, start long-time planning on options to simplify the responsibility, authority, and accountability of maintaining and operating these 60 properties to better serve our individuals, as well as address the inefficiencies and equity issues that have plagued these properties for many years.

The 3:00PM, Wednesday, August 4, 2021, meeting will be in room 180 at Central Office and virtually through Microsoft Teams using the following information:
