MEMORANDUM

TO: Executive Directors of HASCI Community Opportunity Centers and Previous Providers of HASCI Rehabilitation Supports

FROM: Associate State Director-Policy, Lori Manos *fm*

DATE: March 1, 2022

SUBJECT: Continued DDSN Grant Funding of HASCI Community Opportunity Centers

The purpose of this memo is to provide an update on the progress of former rehabilitation supports (RS) providers which have converted to the provision of waiver funded day program services.

The attached monthly report reflects January utilization data. January's utilization showed a 27% decrease in total units billed across all four providers. Of note, two of the four providers reported COVID-19 and/or icy conditions resulted in temporary closure of their respective day programs during January, which contributed to the noted decrease in billable units. The total number of individuals served decreased by a total of two, representing a 4% increase.

As previously indicated, continuation of funding will be re-evaluated in April. Providers are asked to continue working toward expansion of service provision and self-sufficiency.

Questions may be directed to Melissa Ritter, HASCI Division director, at 803-898-5120 or mritter@ddsn.sc.gov.
