

## **DDSN Executive Memo**

**TO: EXECUTIVE DIRECTORS OF HASCI COMMUNITY OPPORTUNITY CENTERS AND PREVIOUS PROVIDERS OF HASCI REHABILITATION SUPPORTS**

**FROM: ASSOCIATE STATE DIRECTOR, SUSAN KREH BECK, ED.S., LPES, NCSP** 

**DATE: DECEMBER 11, 2020**

**RE: Continued DDSN Grant Funding of HASCI Community Opportunity Centers and Previous Rehabilitation Supports Providers Electing to Convert to Waiver Funded Day Program Services**

Monthly utilization reports continue to be provided as a tool to aid providers in assessing progress toward self-sufficiency. November usage information is attached. When compared to October data, there was an overall increase of 17% in the number of individuals served across all providers. This increase is mostly attributed to gains in the number of persons served by one provider. Regarding the number of units billed, in comparison to October data, 13.2% fewer units were billed across all providers. This decrease may be attributed to holiday program closures, since the average number of units billed per day was essentially the same for both October and November (51 units per day). Given the upcoming December holidays, it is unlikely that numbers will rebound this month.

Continued efforts toward reaching self-sufficiency are essential and appreciated. Determinations for next quarter's funding levels are dependent upon continued gains in the number of persons served and units billed. Information regarding funding levels will be forthcoming.
