FY23 Day Services Licensing Prep List

All Day Service locations must be inspected annually using the Day Services Licensing Indicators. As a general guide, day service providers will need to ensure the following documentation is available to the Alliant Review staff at the time of the Licensing Review:

- Census for the date of review
- Staff list for each day services location, noting staff who are responsible for transportation
- Annual Fire Marshal Inspection (include evidence of correction if violations were noted)
- Electrical Inspection
- Sprinkler System Inspection
- HVAC Inspection
- Evidence of quarterly fire/disaster drills.
- Evidence of staff fire/safety training, including the use of fire extinguishers.
- Evidence of daily checklists completed for each vehicle in active use.
- Evidence of vehicle maintenance.
- Evidence of the successful completion of a Defensive Driving course for all staff transporting participants.
- Documentations of provisions for alternate coverage for staff members who are ill. Such policies shall require staff members with acute communicable disease, including respiratory infection, gastro-intestinal infection, and skin rash, to absent themselves during the acute phase of illness
- Evidence of the written authorization to administer medication for any participants with medications at the day services location.
- Medications Control sheets (current and past 3 calendar months – for all controlled medications)
- Policy regarding the disposition of medications
- Medication Administration Record (MARs – current and previous 3 calendar months)
- Evidence of Therap documentation of any restraints that occurred in the past 12 months (if no restraints occurred, please provide a signed statement that none occurred)
- Documentation to indicate the Intensive Behavior Intervention provider and Human Rights Committee were informed of the use of any restraints

**Any documentation submitted in the form of a spreadsheet is subject to verification.*

A sample of records may be selected to validate data entered into staff training or vehicle maintenance spreadsheets.

Additional information may be requested at the time of review.
