

## Summary of Changes

**Administrative Key Indicators:** No Changes

**Case Management:** Key Indicators Removed

Effective 7/1/2025, Intake services will not be reviewed by the QIO. The following indicators have been removed from the document.

CM-201 to CM-206

CM-301 to CM-304

CM-401 to CM-405

Case Management Indicators have been renumbered. Please reference CM Crosswalk for specific Key Indicator number changes.

**Day Services:** Changes To Day Services Delivery Section. Please reference Crosswalk for specific Key Indicator number changes.

**New Key Indicator(s):**

DS-309: Individuals participating in Employment Services – Group must be receiving the service in the community, not the facility.

DS-311: For Career Preparation Services, Paid Work Experiences may not account for more than 50% of their total authorized units.

DS-312: For Community Services, service delivery must be provided in the community setting for at least 50% of their total authorized units.

DS-315: Documentation must support that the provision of service aligns with the service authorized.

**Key Indicator Revised:**

DS-314: Data ~~must be collected as specified in the plan and~~ must be individualized, and sufficient to support the implementation of the plan for each unit of service reported.

**Early Intervention Services:** Editorial Changes and guidance added to several indicators.

EI-203 – Guidance Added - SLED re-check required every 3 years, no later than the last day of the month in which it was due.

EI-303: Early Intervention Staff must complete Infant and Child CPR and First Aid training prior to working with children.

EI-304: Early Intervention Staff, when employed for more than 12 months, must be current in Infant and Child CPR and First Aid.

EI-306 Guidance Added – Does not include ANE, CPR or First Aid or any required Babynet trainings.

EI-402, 403, 404 – edited to reflect “Prior Written Notice” instead of written prior notice

EI-413 Guidance Added – **Note: Not required for providers who have not yet been trained in RBI.**

Guidance Deleted – ~~Key Indicator will not be scored for FY25.~~

EI-420 and 421 Guidance Added – A Transition Conference may be held but is not required for children found BabyNet Eligible after 33 months of age.

**Employment Services:** Changes To Employment Services Delivery Section: Please reference Crosswalk to see Key Indicator number changes and specific revisions to Key Indicators.

**New Key Indicator(s):**

EMP-305: Goals/objectives/activities in the plan focus on the specific employment outcome. General goals/objectives/activities designed to prepare individuals for competitive, integrated employment are not reimbursable.

**Key Indicator Deleted:**

EMP-307 - The IPSE is amended with participation from the individual and/or his/her legal guardian (if applicable) when changes to the plan are necessary.
