Regional Center Renovations Update

Ms. Courtney Crosby noted that the Agency began implementing the Regional Center Renovation Plan ("Plan") shortly after the Joint Bond Review Committee

(JBRC) met in October of last year. The Plan was first implemented at the Coastal Regional Center, specifically with the vacant dormitories in Highlands 110 and Hillside 620. We expect the design space to be completed for these two dormitories in February or March. The Agency also began implementing part of the Plan at the Pee Dee Regional Center, specifically Mulberry 302. This is a vacant dormitory with extensive plumbing needs. We have an expected completion of construction documents there in mid-Spring. We have also received architect Engineering Services proposals for the 17 remaining Priority One (residential) and Priority Two (program areas) buildings at the Coastal Regional Center. Lastly, the Agency has also received proposals for the Priority One Renovations at the Saleeby Center; all Priority One and Priority Two buildings at the Midlands Center; and all Priority One and Priority Two buildings at the Whitten Center. The Agency will present its quarterly report to the JBRC at their meeting on January 29th. Ms. Crosby will give the Commission an update at the February Commission meeting.

Legislative Update

Ms. Carol Stewart announced that we are at the beginning of the legislative session. There are two bills that have been pre-filed in both the House and Senate regarding restructuring of the healthcare agencies. House Bill 3613 is the same bill that the House filed last year; the Senate Bill, S2, only request merging of our Agency, the Department of Mental Health, and the Department of Alcohol and Other Drug Abuse Services. The Governor has publicly supported these mergers as well. At some point, the House and Senate versions will need to be reconciled into one new law. We have a long way to go before legislature works its way to the Governor's desk.

In terms of the Budget, the Agency has started participating in the budget process. The House Ways and Means Budget Hearing for the Agency will take place on January 22nd.
