Jeffrey,

I have reviewed the information you provided. This along with the other documentation I received from my legislative contacts should be sufficient. I understand that the numbers will be somewhat fluid because of the nature of these projects. Just keep me in the loop and we'll work through any potential issues.

Quarterly reports are required.

Quarter 1 ended September 30, (I understand that there will no expenses unless you had to prepay some of these costs)

Quarter 2 ends December 31,

Quarter 3 ends March 31, 2024

Quarter 4 ends June 30, 2024 (I will need at least a preliminary prior to June 30 because the require it to them by that date.

Thank you.

Bruce

Good Afternoon,

Thank you for following up on your email. It seems to have been filtered but we found it.

Can you review the attached before I sign and send it? I assume the numbers can be adjusted as we have not yet bid out the work to know what they will actually be.

Also, is there a date the first Quarterly report is due?

Thank you,

FY24 Quarterly Expenditure Report.xlsx; FY24 Earmarked Appropriations Disbursement Request form.xlsx;

Mayor Michael Lakliar,

I look forward to working with you and the Town of Moncks Corner this year. Proviso 118.19 contains an appropriation of \$1,000,000 (one million) to be distributed to Moncks Corner for the inclusive playground project. These funds have been released by the Executive Budget Office.

The requirements for processing these appropriations have changed several times during the last several years. I am attaching the forms required by the Executive Budget Office. I have also attached the link to the Executive Budget's Office where these forms are located. Proviso 117.21 also requires that you submit quarterly reports to the Agency and identify any subrecipient non-profit entities.

https://www.admin.sc.gov/budget/earmarked_appropriations_reporting

These will assist in gathering the information that will be needed. Once these are received by my office, we will process the payment to the organization.

Please call should you have additional questions.

I hope this information helps.

Sincerely,
Bruce C. Busbee
