Janet,

I hope this finds you well and enjoying the festivities of the holiday season. I am currently following up on some loose ends from FY 2024. As you recall, DDSN submitted expenditure reports to the Executive Budget Office, the House Ways and Means and the Senate Finance chairs. June 30, 2024, *The ALS Association* reported a balance of **\$532.43**. These funds were carried forward in your accounts to be used for the approved projects.

We will soon be ending the second quarter of the second year of fund availability. If your funding has been exhausted, please complete the attached quarterly report showing a zero balance. However, if the funding has not been fully exhausted; please complete the report for the first two quarters of this year. These reports are due quarterly until exhaustion.

I look forward to our continued working relationship and sincerely hope that the new year brings you much success and happiness.

Sincerely,  
Bruce

Good afternoon Bruce,

Attached is our Q4 expenditure report for FY24 Appropriation Act Proviso 118.19 which awarded \$500,000 to the ALS Association-ALS Care Services. These funds have provided much needed support, relief and treatment for

people in South Carolina who are living with ALS. Truly, the meaningful impact it has made for those we serve is immeasurable.

You have been very helpful throughout this process, which we greatly appreciate. If I can provide further information, please let me know.

Best regards,

Janet Thorn
