**Be sure to connect your young adult  
with DDSN services before they need  
them!**

#### ***Not sure your young adult is linked with DDSN?***

Individuals with intellectual disabilities/related disabilities, autism and head and spinal cord injuries /similar disabilities may be eligible for services from South Carolina Department of Disabilities and Special Needs (DDSN).

**If you know your young adult has not yet applied for services, don't wait!**

**Have the parent or student apply today by phone 1-800-289-7012**

Find out more information at: <https://ddsn.sc.gov/services/applying-services>

**If you are unsure if a student is already eligible, you can contact DDSN at the number below.**

We can help to link you with the students' case manager who is their point of contact with DDSN.

**If your student has been determined eligible and is a DDSN client, but needs a case manager, please have them contact the number below to get them connected with a case manager of their choice!**

***Need Help? We want to help you!***
