

South Carolina Employment First

SC Department of Disabilities and Special Needs supports Employment First, which means that employment is the first and preferred option for everyone, regardless of how their disability may impact them in their environment.

What it Means:

Identity: "What do you do?" I am an employee, a friend, and a valued community member.

Life-long Learner: Continually learning on the job

More Choices: Choices on where to work, how to get there, who to spend break with, and more!

Bigger Social Network: Coworker or friend? We all support each other.

Increased Income: The best part of working: the paycheck!!

What we all really need.

Vocational Rehabilitation will be able to assist you in getting a job in school!
