

South Carolina Department of Disabilities and Special Needs

Emergency Operations Center (EOC): EOC@DDSN.SC.GOV; 803-898-9754

SITUATION REPORT DATE: MARCH 27, 2020

EVENT: COVID-19 PANDEMIC

I. Interim Procedure for DDSN Residential Setting Licensure and Follow-up Reviews: [CLICK HERE](#)

The procedure temporarily suspends on-site licensing reviews. However, providers will be required to complete a setting self-assessment tool, which when approved by DDSN will result in a provisional license for the duration of the COVID-19 National Emergency.

The Self-Assessment tool has been added to Business Tools under COVID-19 Interim Forms.

A similar process is being developed to address licensed day facilities and is forthcoming.

II. PPE from the National Stockpile:

The second delivery of PPE from the National Stockpile is being delivered to local County Emergency Managers. See this [LINK](#) for the list of CEMs. They will prioritize health care agencies for the distribution, so contact your local CEM with any needs.

III. Provider Skype Meeting:

Tuesday, March 31, 2020 @ 2:00pm

Agenda will include updates and discussion on the Interim Licensing Process.
