

SOUTH CAROLINA DEPARTMENT OF DISABILITIES AND SPECIAL NEEDS APPLICATION FOR FAMILY SUPPORT FUNDING

The purpose of Individual and Family Support (IFS) funding is to provide, when needed, financial assistance to families who care for a person with an intellectual or related disability, autism, or traumatic brain injury, spinal cord injury or similar disability in order to improve an unsafe, risky or dangerous situation. In accordance with state law, IFS funding is not an entitlement program or a general public assistance benefit.

Because these funds are limited, IFS funding is not be available to:

- Those who are not DDSN eligible.
- Those who are enrolled in **any** Medicaid Home and Community Based Waiver.
- Those who are eligible for DDSN services in the “At-Risk” category (children three (3) to six (6) years).
- Those who receive Residential Habilitation.
- Those who reside in an Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) or a Nursing Facility.
- Those in SC Department of Social Services Foster Care or Therapeutic Foster Homes.
- Those residing in a Psychiatric Residential Treatment Facility (PRTF).
- Those families with income above the Income Standards specified in Attachment A may not receive IFS funding for assistance to improve and unsafe, risky, or dangerous situation.

IFS funding will only be made available when needed goods or services cannot be funded by the family, other public agencies or community resources or through other DDSN services/programs. Consideration will be given to all of the resources available to the family, even those resources that cannot directly fund the needed goods or services. Priority will be given to those families with the greatest need.

The policy, in its entirety, can be found on DDSN’s website at
