

# Intellectual Disability/Related Disability (ID/RD) Waiver Information Sheet

## South Carolina Department of Disabilities and Special Needs

Prior to 1991, the Federal Medicaid program paid for services to South Carolina Department of Disabilities and Special Needs (DDSN) consumers only if that individual lived in an institution. The approval of Federal Home and Community Based Waiver programs allowed Medicaid to pay for services to consumers in their homes and in their communities. Section 1915(c) of the Federal Social Security Act enables the South Carolina Department of Health and Human Services (DHHS) to collaborate with DDSN to operate a Home and Community-Based Waiver program for individuals with Intellectual Disabilities or Related Disabilities (ID/RD).
