

# Intellectual Disability/Related Disabilities (ID/RD) Waiver Information Sheet

## South Carolina Department of Disabilities and Special Needs

Prior to 1991, the Federal Medicaid program paid for services to SCDDSN consumers only if that person lived in an institution. The approval of Federal Home and Community Based Waiver programs allowed Medicaid to pay for services to consumers in their homes and in their communities. Section 1915(c) of the Federal Social Security Act enables the South Carolina Department of Health and Human Services to collaborate with the South Carolina Department of Disabilities and Special Needs (SCDDSN) to operate a Home and Community-Based Waiver program for people with Intellectual Disabilities or Related Disabilities (ID/RD).
