

Congratulations on your job!

**Graduating school with a
job is quite an
accomplishment!**

There are supports available to help you keep your job if you meet the following:

- You have been determined eligible for services through the South Carolina Department of Disabilities and Special Needs
- You are no longer in high school and have secured employment with the assistance of South Carolina Vocational Rehabilitation Department

The South Carolina Department of Disabilities and Special Needs (DDSN) offers a program called **State Funded Follow Along (SFFA)**

SFFA is here to support you on your job so that you can continue to be successfully employed! To receive SFFA, you must be eligible for services through DDSN. If you are already eligible for DDSN services, contact your case manager or ask your SCVRD counselor or SCVRD job coach to refer you!

If you have not applied for DDSN eligibility, you can do this by calling

1-800-289-7012 (Monday through Friday 8:30 AM-5:00 PM)
