RE: PROVIDER TRAINING - Waiver Authorization Changes

As stated in the Memo entitled "Waiver Authorization Changes," beginning in November, DDSN will start the process of having Case Managers move Authorizations for services into Therap. This process will be phased in over the next year as plans are completed for each consumer. As part of this process, any provider that receives service authorizations from Case Managers will begin receiving those authorizations in Therap.

Therap has scheduled several web based training sessions on how to receive authorizations and how to search and manage them in Therap. In order to sign up for these trainings please use this link to register:

<https://attendee.gotowebinar.com/rt/6936442128574061581>

After registering you will receive details from Therap on how to join the training session on the date of the training.

Questions related to the implementation of electronic authorizations should be sent to Ben Orner at borner@ddsn.sc.gov or (803) 898-3520 or Lori Manos at lmanos@ddsn.sc.gov or (803) 898-9715. Thank you.
